

## HIGH SPEED LED HANDPIECE

148-805

### PRODUCT DESCRIPTION

## High-speed handpiece with a self-generating LED light built in.

This high speed 4 hole handpiece provides LED illumination without the need for a connector or fibre optics on your dental unit.

Simply connect it directly to your handpiece tubing - the LED is entirely air driven.

This handpiece comes with a 6 month warranty.

#### Key Features:

- Standard head
- Easy DIY cartridge replacement
- Push button chuck
- 4-hole water spray for optimal cooling
- 6 month warranty
- Borden or Midwest fitting

### Good to know...

At Burtons we know you have a choice to shop with us, that is why we always aim to delight our customers with a fast, easy, shopping experience. Making and sourcing only the best products we can find to fit your needs. Price Matching: We regularly check all our prices against competitors so you don't have to. If you do find a like for like product cheaper we will aim to not just match it, but beat it! Backorders: All back ordered items will be ordered and shipped as quickly as we can to you. Special order items may take up to 4 weeks. Once ordered a member of our team will be in contact to keep you informed of estimated delivery dates. Returns Policy: You may return new, unworn or unused products within fourteen (14) days of delivery for a full refund of the cost of the goods, or an exchange if preferred. This is on top of your statutory rights
