

LABCOLD TEMPERATURE LOGGER

125-046

PRODUCT DESCRIPTION

Convenient, user-friendly USB data logger with wide application that works just like a removable memory drive

Small and light, the logger plugs directly into a USB port of any suitable computer for configuration, data download and analysis. Up to 32,000 data points can be recorded before download is necessary.

Good to know...

At Burtons we know you have a choice to shop with us, that is why we always aim to delight our customers with a fast, easy, shopping experience. Making and sourcing only the best products we can find to fit your needs.
Price Matching: We regularly check all our prices against competitors so you don't have to. If you do find a like for like product cheaper we will aim to not just match it, but beat it!
Backorders: All back ordered items will be ordered and shipped as quickly as we can to you. Special order items may take up to 4 weeks. Once ordered a member of our team will be in contact to keep you informed of estimated delivery dates.
Returns Policy: You may return new, unworn or unused products within fourteen (14) days of delivery for a full refund of the cost of the goods, or an exchange if preferred. This is on top of your statutory rights
