

FELINE V25 VETERINARY SCALES

115-480

PRODUCT DESCRIPTION

A portable, low cost scale for weighing and measuring small pets around the practice

The V-25 is a small and portable veterinary scale which is ideal for use in both the home for domestic pets and in veterinary surgeries for a wider range of animals. Using the V-25 is great way to keep track of an animal's overall health due to the large LCD display clearly showing the weight reading to the nearest 10g and its built in measure along the side of the scale.

Quick and easy to use

To start using the scale simply press the power button and you are good to go. Due to the compact shape and size this scale can be stored easily and being lightweight and powered by 2 x AAA batteries it can be used absolutely anywhere too.

The V-25 has a Tare function for removing unwanted weight. Memory Recall button, which allows the user to recall the previous weight reading. The units button switches the scale from weighing in kg, to weighing in lb.

Built to last

The V-25 is robustly built and designed to last. This scale like all our veterinary scales, is backed by a full one year warranty.
