

LIGHTWEIGHT CAT GRABBER

119-020

PRODUCT DESCRIPTION

A simple and effective means for capturing and controlling cats and other small animals

This lightweight Cat Grabber is widely used in rescue situations where the cat is in a confined space or out of normal reach. It is particularly useful for dealing with feral cats where it eliminates any need for manual contact and the risk of physical injury to personnel. The cat grabber comprises a 760mm (30in) aluminium handle, shaped at one end to form a fixed jaw which matches a spring-loaded movable jaw operated by a cable attached to a handle at the operator's end. The jaws are plastic covered to minimise discomfort to the animal and the grabber is light and easy to use. If necessary the cat can be quickly released. A simple and effective means for capturing and controlling cats, we believe our cat grabber is one of the most used tools by animal control officers.

Features

- Light and easy to use
- Spring loaded
- Plastic covered jaws to minimise discomfort

ADDITIONAL INFORMATION

Animal	Small Animal
SKU	119-020
Colour/Style	Grey
Fit	N/A

Good to know...

At Burtons we know you have a choice to shop with us, that is why we always aim to delight our customers with a fast, easy, shopping experience. Making and sourcing only the best products we can find to fit your needs.
Price Matching: We regularly check all our prices against competitors so you don't have to. If you do find a like for like product cheaper we will aim to not just match it, but beat it!
Backorders: All back ordered items will be ordered and shipped as quickly as we can to you. Special order items may take up to 4 weeks. Once ordered a member of our team will be in contact to keep you informed of estimated delivery dates.
Returns Policy: You may return new, unworn or unused products within fourteen (14) days of delivery for a full refund of the cost of the goods, or an exchange if preferred. This is on top of your statutory rights
