

BURTONS LARGE ANIMAL CYCLO-FLO

103-500

**PRODUCT DESCRIPTION****Designed specifically to provide the lowest resistance possible**

With the increasing popularity of isoflurane anaesthesia in conjunction with rebreathing circuits, circles have become the standard circuit of choice. We have designed the Cyclo-Flo to provide reliability, economy and low resistance.

The Cyclo-Flo Circle Breathing System is supplied with a 30L rebreathing bag, 22 patient hose, Y piece & valve dome wrench.

Good to know...

At Burtons we know you have a choice to shop with us, that is why we always aim to delight our customers with a fast, easy, shopping experience. Making and sourcing only the best products we can find to fit your needs. Price Matching: We regularly check all our prices against competitors so you don't have to. If you do find a like for like product cheaper we will aim to not just match it, but beat it! Backorders: All back ordered items will be ordered and shipped as quickly as we can to you. Special order items may take up to 4 weeks. Once ordered a member of our team will be in contact to keep you informed of estimated delivery dates. Returns Policy: You may return new, unworn or unused products within fourteen (14) days of delivery for a full refund of the cost of the goods, or an exchange if preferred. This is on top of your statutory rights
