

HUGER HD VIDEO SYSTEM WITH BUILT-IN SCREEN

END-HGVIS-MON*CONFIG

PRODUCT DESCRIPTION

The Huger 69 series video centre provides you with an exceptional view of your procedure.

Use the online builder to choose your ideal setup. Add a camera, your required endoscopes and any additional accessories.

Minimised noise, and reduced halation, work alongside the full HD system to give you a viewing screen like no other. When used with our new 69 series range of scopes, the video centre provides a crisp image, with a dimmable light source and the ability to capture and record images at the click of a button.

Additional features such as the 'freeze' button allows you to view a captured image whilst still viewing the live screen.
