

## HUGER HD VIDEO SYSTEM

END-HGVIS-69\*CONFIG

## PRODUCT DESCRIPTION

### The Huger 69 series video centre provides you with an exceptional view of your procedure.

Use the online builder to choose your ideal setup. Add a camera, your required endoscopes and any additional accessories.

Minimised noise, and reduced halation, work alongside the full HD system to give you a viewing screen like no other. When used with our new 69 series range of scopes, the video centre provides a crisp image, with a dimmable light source and the ability to capture and record images at the click of a button.

Additional features such as the 'freeze' button allows you to view a captured image whilst still viewing the live screen.

- Lamp: LED Lamp 40W
- Colour temperature: 5500K
- Average working life: 3500 hours
- Brightness adjustment: Manually
