

OPTICLAR OPHTHALMOSCOPE SET

OPT100.020.050

PRODUCT DESCRIPTION

Veterinary Diagnostic Set - C-Cell Battery Handle

Opticlar's VisionVet range is designed to simplify and enhance diagnostic examinations across species, from exotics to companion animals and larger breeds.

Engineered for durability and performance, each unit features TrueTone LED modules, delivering exceptional illumination with a long lifespan. The 10-year LED module guarantee means maintenance costs are significantly reduced over the lifespan of the equipment. The high-quality optics ensure excellent visualisation, while the robust construction offers lasting reliability.

An automatic on/off function and compatibility with traditional manufacturer connections help protect your existing equipment investments. Additionally, the multi-voltage design allows seamless switching between cell power and rechargeable options without the need to replace bulbs.
