

OPTICLAR S1 VETERINARY LED DIAGNOSTIC SET - ADAPT SINGLE PORT CHARGER DESK SYSTEM & METAL TIPS

OPT700.020.022

PRODUCT DESCRIPTION

Veterinary Diagnostic Set - Single Port Desk Charger

Introducing a new standard in LED Veterinary Diagnostic Equipment – The most popular and widely used veterinary diagnostic set in the Opticlar range.

Opticlar's VisionVet range is designed to simplify and enhance diagnostic examinations across species, from exotics to companion animals and larger breeds.

Engineered for durability and performance, each unit features TrueTone LED modules, delivering exceptional illumination with a long lifespan. The 10-year LED module guarantee means maintenance costs are significantly reduced over the lifespan of the equipment. The high-quality optics ensure excellent visualisation, while the robust construction offers lasting reliability.

An automatic on/off function and compatibility with traditional manufacturer connections help protect your existing equipment investments. Additionally, the multi-voltage design allows seamless switching between cell power and rechargeable options without the need to replace bulbs.

Set includes:

- S1 Veterinary LED slit otoscope
- L28 Practice ophthalmoscope with cobalt blue filter, light sensitive filter and 5 apertures
- 1 Adapt rechargeable handle
- Single port charger
- Supplied with 3 metal tips (1 of each size) - 57.0mm x 4.0mm diameter, 65mm x 6.0mm diameter, 90.0mm x 7.0mm diameter
