

QUICKDROP 0.25 LEAD APRON (FEMALE)

146-856-F-M-L

PRODUCT DESCRIPTION

Medium / Long 0.25 Lead Apron in Royal Blue with Velcro Adjustment (Female)

Durable, lightweight lead aprons designed to protect veterinary professionals during radiographic procedures.

Combining effective radiation shielding with comfort and ease of movement, these aprons offer reliable protection without compromising on performance or practicality.

The protective material used in radiation aprons and accessories contains heavy metals that reduce your exposure to harmful scatter radiation, shielding veterinary professionals from the harmful effects of radiation exposure.
